Summer Nature Camp

Dear Parents and Children:

Welcome to the Brazos Valley Museum's Summer Nature Camp! Enclosed are suggestions for making your Museum camp experience a success. Please call 776-2195 if you have any questions or need additional information.

DROP OFF AND PICK UP: All children should be brought into the Museum at 9 AM. Pickup is 3 PM for all campers.

OTHER PICK-UPS: If your child needs to be picked up or dropped off at other times, please let your child's instructor and camp director know by a short note. For security reasons, we will not dismiss a child to anyone other than parents or predetermined drivers. If someone new will be picking up your child, please inform us of the change.

OTHER INSTRUCTIONS: Please let your child's instructor and/or the camp director know of any special needs your child may have. Prior knowledge of medications, hearing problems, etc. can make camp a more positive experience for all of us. A summary of the day's activities will be available for parents at the front desk.

THE WELL-DRESSED CAMPER: (Please bring the following items)

*Backpack or tote

*Closed Sturdy Shoes (no sandals)

*Insect Repellent

*Leak-proof Water bottle or Canteen

*Sun visor or Hat

*Sunscreen

AND PLEASE PUT CHILD'S NAME ON EVERYTHING!

MEALS: *Please provide lunch, 2 snacks, and a drink for your child.*

Please bring the following everyday of the camp session:

1. Extra pair of shoes or boots for creek studies.
2. A towel or mat for quiet time. (For 4-5 year olds)
3. Sunscreen and insect repellent.
4. A light sweater (classrooms in the Museum can get cold)

Please do not bring:

1. Toys
2. Unregistered Friends

Call the Museum if you have any questions or concerns. We look forward to working with your child for a fun, safe, and educational camp experience. We hope to see you at all of our camps during spring, summer, and winter breaks!
