The Brazos Valley Museum of Natural History (BVMNH) is a private, non-profit organization, whose mission is to preserve and protect cultural and natural history, to stimulate its understanding, and to encourage responsible stewardship of all natural resources.

The Museum is funded by our Friends' memberships, grants, program revenues, and other gifts. Your enduring commitment to the Museum's mission provides the \$20,000 a month needed to maintain current programs and exhibits. Improvement of exhibits and programs, and maintenance of the Museum's collections, depends on your annual support.

Your contribution makes a difference!

Thank you for becoming a Friend of the Brazos Valley Museum of Natural History!
